

Film Scanning Pricelist

We use a dedicated Flextight/Hasselblad film scanner capable of professional level high-resolution scans from negatives and slides mounted and unmounted. We no longer offer our film scanner for hire. Turnaround times for film scanning is usual five days from receipt of your negatives and slides. All film scanning work must be booked in advance by emailing us: info@rush-digital-printing.com or by calling us on **02895219229**

Scanning price includes the removal of any surface dust spots. However, any scratches, development marks, colour shifts within the supplied negatives and slides and detailed spotting are the responsibility of the owner to fix from supplied digital files.

Film Size	Scan Size Medium	Cost Per Scan	Scan Size Large	Cost Per Scan
35mm	30MB	£5.45	90MB	£9.50
120	140MB	£9.50	280MB	£12.50
